**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Sonic user and am NOT in favor of AT&T/US Telecom's petition to take away critical unbundled network elements. I am a business person and am surrounded by my competition. That doesn't make me unsuccessful but it makes me think about my strategies to make my clients happy with my products and me. If someone took my ability to communicate with my customers (and actually someone did just recently for a time) that would not only be unfair but it would be counter to free trade and healthy competition. Please do not grant this petition by AT&T.
